October 1, 2002 to September 30, 2003

Public Relations (Please check one):

Every week The Lighthouse will try to videotape Deaf-Blind Community Class, also weekend retreats and summer events, too. Sometimes we will record the presenter, sometimes we will record several DB and interpreters in the class, retreat and summer event. We also will take some pictures. Sometimes TV or newspaper will come to Deaf-Blind Class, retreat and summer event to write a story and take pictures. The Lighthouse and DB Program use the pictures to inform people about deaf-blindness, and to help raise money for DB Class and related retreat and summer event. The pictures may be used on our Web site or in brochures etc.

It is OK to take my picture or videotape me at Deaf-Blind Community Class, weekend retreat and summer event.

It is NOT OK to take my picture or videotape me at Deaf-Blind Community Class, weekend retreat and summer events.
